Hello Abi and Zoe,
I would love to be able to work with you on getting a meeting set up. Right now the best day the week of April 8th is Tuesday the 9th, but I also can look at other dates and make it work. My second choices would be Monday the 8th or Friday the 12th.
Please feel free to email me to get it set up, or give me a call on my cell phone at 360-690-6484.

Thank you so much for your help,
Amanda Nelson

Dinah:

I'm no longer working in the Regional Administrator's office, but my colleagues, Abi Gaudario or Zoe Heller, both copied here, will be able to assist you!

Laura, some people from southern Arizona who will be in San Francisco the week of April 8th and would, if possible, like to meet with Regional Administrator Blumenfeld regarding the proposed Rosemont copper mine. As I recall, you were the one who set up his visit out here; I just tried to dial the number I had for you from that trip and got someone else's voice mail. I'm wondering if you would be the right person to coordinate with re scheduling or could you refer me to someone else? Thanks so much. Dinah Bear
